Miss Bird - Director

The first day of school in that eventful year of 1955-56, 22 "green" freshmen began their first year in Walnut Grove High School. The class members were Sammy Bowers, Tom Castor, Dale Caylor, Jim Chinn, Stanley Dick, Jerry Gates, Jack Gordon, Judy Gunning, Ruth Hendrick, Melinda Hendry, Carolyn Holloway, John Leer, Mike McCauley, J.W. Mendenhall, Roosevelt Mendenhall, Jerry Mikels, Marcia Myers, William Poe, Mary Belle Roop, Meredith Rupe, Mary Webb, and Verna Whitmill. The seniors welcomed us with initiation exercises and a wonderful party that evening. Our representative for the Student Council was Mary Belle Roop. The class activities for the year were a Halloween Festival, Christmas party at Mike McCauley's home, and a skating party. We attribute our fine year to our sponsors, Miss Bird and Mr. Badgley, and to our officers who were Stanley Dick. President: Dale Caylor, Vice President; Mary Belle Roop, Secretary; and Mike McCauley, Treasurer. During the year Ruth Hendrick and Sam Bowers withdrew.

We began our sophomore year with an enrollment of 22 students. The officers elected that year were Stanley Dick. President; Mike McCauley, Vice President; Mary Belle Roop, Secretary; and Dale Caylor, Treasurer. Our sponsors for the year were Miss Bird and Mr. Carl Scott. Wayne Scott and Terry Joe Myers were new members of the class. Dale Caylor and Mary Belle Roop moved away during the year. We began rolling in the money for our senior trip by sponsoring an all school skating party, selling addressed gum labels, and selling addressed stationery. Our long awaited class sweaters finally arrived in November. They were black with red and white 3-D letters. Mike McCauley and Judy Gunning were our Student Council members. The Christmas party and amual exchange of gifts was held at Judy Gunning's home. This is the year that Melinda Hendry won a medal in the Latin contest at I. U. and brought honor to our class.

Twenty-two members enrolled in our class for the junior year. We had two new members--Saundra Otis and Jim Watters. Terry Joe Myers, Wayne Scott, and John Leer withdrew during the year. Jack Gordon was our class President; he was aided by Stanley Dick, Vice President; Jerry Mikels, Secretary; and Melinda Hendry, Treasurer. The magazine sales campaign was very exciting this year. We were guests of the seniors at a wonderful turkey supper for winning the sales campaign. We ordered our class rings early in the year and, of course, we thought they were about the best that W. G. H. S. ever had. It seems that with all good things come some bad. On October 17, school was dismissed for the funeral of our much loved classmate, Roosevelt Mendenhall. Mike McCauley, Stanley Dick, and Judy Gunning were our representatives for the

Student Council during this year. Her Kissing Cousin was an experience that we have never known before. It was our first class play and one we shall always remember. This year Marcia Myers was elected Basketball Queen. We sponsored the first soc hop at W. G. H. S. We had Bill Baker from WIBC for our D. J. Our money-making schemes were a skating party, suppers and concessions at ball games, Halloween Festival, gas sale, and car wash. Not to be forgotten is the Christmas party at Melinda Hendry's home. Much of the credit for our accomplishments must be given to our sponsors, Miss Bird and Mr. Bridge.

Seventeen dignified seniors walked the halls of dear old W. G. H. S. for the last year. J. W. Mendenhall Saundra Otis withdrew during the summer, and Wilma Figg joined our class. Officers for the year were Jack Gordon, President; Mike McCauley, Vice President; Jerry Mikels, Secretary; Melinda Hendry, Treasurer. We followed the tradition of initiating the freshmen into high school and gave the customary party for them that night. Our first money-making scheme of the year was magazine sales. Agreed: We won the race and this year we were the junior's guests to a turkey supper. We went to Indianapolis in October to have our pictures made. With autumn came play practice. We presented Everybody's Crazy on November 19. Among the many experiences new to us this year were the publication of the newspaper and the yearbook. We are indebted to Miss Jackson for her help in these tasks. Our profitable activities were concessions, suppers, a skating party, and a soc hop. We had our Christmas party at the school and invited some of the juniors and sophomores who were ushers at the class play and who had helped us with concessions. We selected announcements, name cards, class flower (the peppermint carnation), and our motto, "Out of school life, into life's school," Our class colors were red, black, and white. This year Stanley Dick was chosen to attend the National F. F. A. Convention in Kansas City as the National Band member from Indiana. He was also elected as state student secretary of the Indiana Association of Future Farmers of America. This year Melinda Hendry placed first again in the English Contest. Our representatives for the Student Council were Mike McCauley, Judy Gunning, Stanley Dick, and Jack Gordon, Baccalaureate services were held on Sunday, May 24. Reverend Russell McInnis gave the address and Reverend Harold Cline assisted. Commencement was on May 29. Reverend John Atkins gave the invocation and benediction. Our speakers were Melinda Hendry, Mike McCauley, Stanley Dick, and Judy Gunning. Miss Bird and Mr. Bridge helped carry us through our last year. The trip to Washington and New York, through our combined efforts, climaxed our high school career. On June 6, we the 1959 graduating class, were the honored guests at the Alumni Banquet. We had a wonderful time, but our heart's were heavy because this was the last of our days to be spent at Walnut Grove School.
